Ken Sorlien questioned why the Town chose to enter a lease agreement and not buy the truck out right. Chuck Burns explained that this is a lease purchase agreement spread over four(4) years, and is with Grappone Truck in Concord, who does have the State bid contract. Vote was unanimous in the affirmative.

Bart Coudert asked when the docks were last replaced. Lew Hanson answered that it was at least 24 years since a full replacement was done. That included replacing the pilings and everything above the water. Bart Coudert asked if we need such a large space with as many fingers. Lew Hanson said that much discussion went into this, and it was the feeling of the Board and many other people that we leave the docks as they are. Chuck Burns explained that the boat docks do generate a lot of the business in town over the months that they are in use. Bob Beem asked if we could change the dimensions of the fingers. Chuck Burns said that nothing was specific in the bids that the Town received last year, strictly for budgeting purpose. Vote was unanimous in the affirmative.

Any surplus remaining in the Land Use Change Tax Fund shall not be part of the General Fund until such time as the legislative body shall have the opportunity at an annual meeting to vote to appropriate a specific amount from the Land Use Change Tax Fund for any purpose not prohibited by the laws or by the Constitution of this state. After an annual meeting any unappropriated balance of the Land Use Change Tax revenue received during the prior fiscal year shall be recognized as General Funds revenue for the current fiscal year. Bob Beem explained the reason for this article. Any money that would go to the Conservation fund will remain the same. This article will hold any monies received until the following year town meeting. This is a paper ballot article. The polls will remain open until all present have had an opportunity to vote. Yes if you are in favor of this article, no if you are not in favor.

THE CENTER HARBOR PLANNING BOARD

The Planning Board met twice a month in 1994 to consider and act upon subdivisions, site plan reviews, building permits, ordinances and other issues dealing with land use in Center Harbor.

During this year continuing hearing concerning the Legionnaires of Christ property, and the results of a site plan review of the Corso property on Route 3, made for some lively meetings in which all members of the board participated. Several changes to Center Harbor zoning ordinances were brought before town meeting at the recommendation of the board.

In midsummer the Board was saddened by the death of Bill Taylor, Town Moderator and longtime Chairman of the Planning Board. Few have contributed so much to the Town of Center Harbor.

Co-chairpersons Kirk Meloney and Ed Libby continued to serve throughout the year, as did Clerk Sheila Mohan and Secretary Ann McCahan. In September we welcomed Darlene Fritz, of Center Harbor Neck Road, as a new member. Late in the year, Mr. and Mrs. Russell Sabanek appeared before the board to begin discussion of their plans as the new owners of the Senter's Market complex. Their desire is to go ahead with plans to make an inn of the Coe House. Discussion of these plans, along with those of the Legionnaires of Christ will be continued into 1995.

The Planning Board will continue to meet on the first and third Tuesdays of the month at 7:30 PM in the Cary Mead Room, and all meetings are open to the public. We will continue to be open to land use questions and suggestions by Center Harbor residents and businesses.

Respectfully submitted,

Frank Fancher

JAMES E. NICHOLS MEMORIAL LIBRARY ASSOCIATION
Annual Report

The annual meeting of the James E. Nichols Memorial Library was held on January 21, 1995.

The year 1994 was reviewed with the reading of the Secretary's report and reports from the Treasurer, the Librarian, the Trustees, and the Association President.

Sandy Pickel, Librarian, reported that 1994 was a very successful and productive year for the Library. The circulation for 1994 was 6,595. There were varied children's programs, all of which were received with enthusiasm. Sandy also offered many thanks to the volunteers who assisted her in the busy summer months.

The traditional International 4-H Youth Exchange Program was held with Donald Swain sharing his experiences during his stay in Denmark. The fund raisers also proved to be profitable.

The Nominating Committee announced the slate of officers for 1995. Officers elected for 1995 are as follows:

President	Linda Colombine
Vice President	Nancy Chapman
Secretary	Alice Keefe
Treasurer	Sarah Heath
Trustees	Barbara Benoit - Through 1995
	Kate Vachon - Through 1996
	Bess Hanson - Through 1997
Auditors	Ann Libby
	John Merrill
Nominating Committee	Gertrude Martin
	Sandy Pickel
	Kate Vachon
	Carolyn Harlow

The Library has moved forward and continues to provide a positive service to Center Harbor and surrounding communities. I am sure with the "changing of guard" for 1995, the success of the Library will continue.

Respectfully submitted,

Richard Harlow, President

JAMES E. NICHOLS MEMORIAL LIBRARY
Librarian's Report for 1994

Use of the Library for the past year continued at an excellent level, reaching a peak during the months of July and August. Many visitors commented appreciatively on the building, a testament to the work the Trustees have had done to ensure the building remains physically sound.

During the month of July, the Trustees sponsored a storytelling evening at the beach and in August, Eloise Coudert held an evening of music there. Both evenings were well received and we hope to be able to hold several similar events next summer. Eloise gave two craft sessions for young people at the Library in the fall. One Saturday was devoted to candle making and the other to hand weaving. The community Christmas party was held this year at the Library, with Eloise providing the program and the Trustees providing the refreshments. Homeschoolers in the area have been using the Library on Friday mornings in the fall and winter for joint instruction in several subject areas. They also had their annual spelling bee at the Library in the spring.

A pass to the Christa McCullife Planetarium and a pass to the Science Center of New Hampshire were made available to patrons this year. Both passes were generously donated; the Planetarium pass by the Meredith Village Savings Bank and the Science Center pass by Helen Heiner, Library Trustee. The many donations of books, magazines and videos were gratefully received. These donations made it possible to provide more complete coverage in the collection and to add material to the book sale for fund raising.

A total of 6,595 library items were circulated during the past year. We registered 193 new patrons and added 541 new titles to the Library. Because the State Library was in the process of installing a new automated computer system, there were problems and delays in searching and providing materials on inter-library loan. Even with these conditions, 111 books were borrowed for patrons and 71 titles were loaned to other libraries.

I was very fortunate to have the help of six volunteers during the busy summer months. I am grateful to them, to Jackie Kelley, to the Trustees, and to the Library Treasurer for all their hard work and support during the past year.

Librarian

The Center Harbor Fire Department responded to a total of 199 emergency incidents in 1994, including 93 fire related calls, 77 calls for medical assistance, 25 motor vehicle accidents, and 4 calls for service from area residents. The department is comprised of 24 very dedicated men and women who avidly train and strive to go forward to deliver to our community the very best service possible. I would like to take a moment to thank them, and I would also like to thank all of you for coming out and making our fund raising efforts such a success. If any of you have any questions concerning fire prevention and your homes, feel free to contact any member or drop by the station. We all would be more than happy to help you in any way we can. In closing, as last year, remember that the time for setting the clocks ahead is rapidly approaching. Don't forget those smoke detector batteries! Your home detectors are your best line of defense against loss of property, and life from fire.

REPORT OF THE CONSERVATION COMMISSION

1994

During the past year the water quality of lakes and ponds in Center Harbor has been monitored by the Conservation Commission with Duke Kline and Ingrid Smith again participating on the Center Harbor bay, in Lake Winnepesaukee. The results continue to show a healthy, clear water. If anyone is concerned about possible pollution to the lake in this area, feel free to call one of the Conservation members. The UNH Freshwater Biology group came again in 1994 to do a battery of tests during the summer. This report is available for review at the Town Hall.

The 8th Annual Household Hazardous Waste Cleanup day was held on Saturday, July 30th. This year, Ken and Chip Sorlien, Eloise Coudert and Harold Bernt helped compile data with members from other towns participating as well. 21 towns participated at eight different sites and 10,000 gallons of waste including paint thinner, pesticides, motor oil, etc., were collected. 1300 cars passed through and 1500 people were involved.

The Conservation Commission sponsored a student from Center Harbor, Aaron Johnson, to the 4-H Conservation camp during the summer. The NH 4-H Camps are operated by the UNH Cooperative Extension Service. If any town member has a student they would like to recommend for Conservation Camp in 1995, please contact Eloise Coudert.

A fund has been established from a portion of use change tax monies collected by the town. Income from this fund may be used toward the purchase of conservation land recommended and voted affirmatively by the residents of Center Harbor.

As usual, the Conservation Commission works with the Wetlands Board. Many applications for shore front changes can be first screened by the Conservation Commission before the Wetlands Board needs to be involved.

The Commission is saddened by the recent untimely death of our chairman, Ken Sorlien. He will be greatly missed.

ANNUAL REPORT OF CENTRE HARBOR HISTORICAL SOCIETY

1994

You are invited to visit the Historical Society meetings from April through November held at the Village Schoolhouse on Plymouth Street on the fourth Thursday of the month at 7:30 p.m.

Our programs are varied so as to appeal to the interests of our many members. This year these ranged from the history of clocks to fashion and the manner of enjoying life, leisure and hobbies. Future programs are posted locally and listed in several publications. (Several local speakers are "on board" for 1995.)

The Society held a plant sale in May at the fire station, with the cooperation of the firemen.

Members of the Society always look forward to participation in the Independence Day Parade. Among other things the Society did during 1994 was to have Paquette Signs replace the time-worn sign that gives a descriptive history of the Town Pound with a new one. The town highway crew performed the clean-up of the pound.

The purpose of the Society is to collect and preserve objects and facts of interest to our town; therefore many items are displayed at the museum. In one room household utensils fill a table, and a big ice box stands nearby. Children's school desks are featured in another room. Throughout are displays of clothing, photographs and other memorabilia. Come, see at your leisure all of these on Saturday afternoon from 2- 4 during July and August. The greeters in attendance will be pleased to see you.

I repeat; You are invited to share a meeting or a Saturday visit with us. No R.S.V.P. needed!

Nancy M. Kelley
President

CENTER HARBOR POLICE DEPARTMENT
1994 Annual Report

1994 was a very busy year for the Center Harbor Police Department. We handled 944 calls for service for the year. This total does not include all of our dog complaints, alarms, and parking tickets. We had five felony arrests, thefts, burglaries, and habitual offenders, which were sent to Superior Court. I would also note that our juvenile cases were on an increase in 1994.

A report from the Belknap County Sheriff's Department reported that they received 3508 telephone calls from citizens requesting assistance or information from the Center Harbor Police Department. 4577 radio transmissions were made from our Police Department. 1994 calls for service were down, as compared to calls for the year 1993. It should be stated that in 1994 much more of the Department's time was spent preparing for and prosecuting cases. Less time was actually spent in the field than in 1993.

I am pleased to advise everyone that Officer Kyle True is a certified D.A.R.E. Instructor and is currently teaching a fifth and sixth grade class at the Sandwich Elementary School. I feel extremely proud of the fact that the Center Harbor Police Department is now contributing to the children of our communities.

I would like to thank the men and women that have assisted the police department over the year of 1994. Sheila Mohan, Bess Hanson, Sue Andersen, Officer Kyle True, Part-Time Officers Matt Canfield, Richard Hanson, and Richard White.

Please remember that you can reach the Center Harbor Police Department 24 hours a day by calling the Belknap County Sheriff's Department at 524-3830.

Once again, thank you to everyone who has helped this department. To all of you, have a healthy and safe year.

Respectfully submitted.

Andrew Faller, Chief of Police

REPORT OF NEW BEGINNINGS TO THE CITIZENS OF CENTER HARBOR

On behalf of New Beginnings, I would like to thank the Town of Center Harbor for its continued support. Your \$500.00 allocation for 93-94 assisted us in providing emergency services, advocacy and support to victims of domestic and sexual violence.

Publicity surrounding the issue of domestic and sexual violence and its devastating effects on families and children has resulted in a significant increase in requests for our services. Our records indicate that we had 7 contacts with Center Harbor residents in 1993 and 5 contacts in 1994. In addition, 170 other contacts for services were not identified by town. Our agency documented over 899 requests for service and provided 673 bednights of shelter in 1994.

As you know, New Beginnings staffs a 24-hour crisis line solely with volunteers; operates a full-time shelter for women and children and safe homes for male victims; provides support and advocacy at court, the hospitals, police stations, and social service agencies; offers peer support groups for victims of domestic violence and sexual assault; assists with needs assessment, case management and housing options; and does community outreach and education programs for teens and adults. All our services are provided free of charge.

We are members of the state-wide NH Coalition Against Domestic and Sexual Violence, promoting statewide networking and resource sharing among domestic violence and sexual assault programs. The Coalition is the evaluating body and administrator of state and federal contracts that provide subsidiary funding for member programs and advocates for legislative change that affects victims of domestic and sexual assault.

We greatly appreciate the solid support of the Center Harbor community. We are dedicated to human service, social responsibility and fiscal accountability. New Beginnings represents a very finite portion of the Center Harbor budget but the returns are immeasurable. We welcome your participation in our efforts to insure a world of safety for ourselves and our children. Volunteers are always needed and the opportunity to serve is fulfilling and satisfying.

Sincerely,

Barbara A. Cruickshank, Executive Director

LAKES REGION PLANNING COMMISSION
1994

The Lakes Region Planning Commission is a voluntary association of local communities designated by area towns as the organization that brings towns and cities within the Region together. By associating and pooling resources, local governments have a highly trained professional staff available to them for a wide variety of services. Areas of current expertise include land use and transportation planning, master planning, environmental planning, capital improvement programming, economic and community development, housing, fiscal and environmental impact analysis, geographic information systems and computerized cartography, household hazardous waste collections and site plan review. Communities may also obtain the services of a professional planner on a regular basis through our circuit rider program or on a fee basis. The Commission also provides a framework to protect and further the interests of our communities with the state and federal government.

Your support helps the LRPC maintain a comprehensive regional planning effort and enables the Commission to perform various projects and activities for regional benefit. Over the past year the LRPC:

- Provided consultation and assistance to thirty-one member communities.

- Met repeatedly with federal and state officials and agency representatives to influence policy and help keep the Region an active participant in many ongoing programs.

- Contracted and coordinated the 11th, and largest, regional household hazardous waste program in the Lakes Region serving over twenty municipalities in a one day super collection.

- Sponsored fall and spring sessions of the NH Law Lecture Series.

- Served as a Board Member on the Belknap County Economic Development Council, a county-wide initiative for economic betterment.

- Initiated work on an innovative study of the Route 16 corridor from the seacoast to Erroll, NH, in coordination with the N.H. Dept. of Transportation and three other regional planning commissions.

- Completed a draft update of the regional housing needs assessment in the Lakes Region as mandated by state statute for local housing plans.

- Initiated work on an agreement through the Scenic Byways program which will enable us to computerize and display historic sites using GIS and scanning technology for the benefit of the Lakes Region Heritage Tourism Roundtable.

- Completed the Manual of Model Ordinances: a comprehensive report on best management practices containing model ordinances for shoreland protection, subsurface disposal systems, erosion and sedimentation control and wetlands protection.

The report was prepared with support from many people including the NH Department of Environmental Services, Belknap and Carroll County Conservation Districts and the North Country Resource Conservation and Development Area, Inc.

Submitted another application to the N.H. Department of Environmental Services to continue implementation efforts identified in Phase I of the Lake Winnepesaukee Watershed Project.

Completed a major update of the Overall Economic Development Program (OEDP) which enables members to apply for economic development funding assistance from the U.S. Economic Development Administration.

Participated in other regionally significant economic development efforts including membership on the Newfound Economic Development Council's Mitigation Fund Advisory Committee, Legislative Conference Center Committee, Governor's State Park Advisory Committee, Ossipee Valley Chamber of Commerce EDA proposal and the Franklin Economic Development and Revitalization Committee.

Reorganized the regional transportation advisory committee to a technical advisory committee for the purpose of improving regional representation and identifying projects for inclusion in the update of transportation plans and programs.

Initiated a region wide land use and transportation inventory to support Department of Transportation efforts leading to the development of a statewide transportation model.

Continued to be a planning information resource center for all municipalities, including the maintenance of an affiliate state data center of U.S. Census information.

Continued to administer and participate in a number of master plan updates throughout the Region including, but not necessarily limited to Holderness, Sanbornton and Tamworth.

Prepared a comprehensive soils capability analysis of the Newfound River Watershed identifying areas with high to low development capability in cooperation with the Natural Resources Conservation Service and the N.H. Department of Environmental Services.

We look forward to serving your community during the coming year. Please feel free to contact us at 279-8171 whenever we can be of assistance.

LAKES REGION FAMILY SERVICE ASSOCIATION, INC.

1. AGENCY PROGRAMS AND SERVICES:

Lakes Region Family Service Association is a private, non-profit social service agency that offers a variety of programs to families and individuals in our region. We have been in existence for over twenty-five (25) years, and began operating as an independent agency in 1974. Our mission is to assist families with difficulties and problems that they face.

A. COUNSELING PROGRAM:

Our Counseling Program offers individual adult, couples, child/adolescent, family, and groups counseling services. The Agency provides an experienced professional staff; we see families based on sliding scale fees. Most families pay \$20.00 per week for counseling services. Many group services are offered for even less money, and groups such as Parenting Education are provided free of charge.

We help people with problems such as marital discord, divorce, depression and anxiety, child behavior problems, substance abuse, parenting, and family violence. Many families are experiencing multiple stressors - economic, lack of extended family supports, lack of time, and communication problems with schools and agencies. We offer counseling in conjunction with other services, such as Mediation and Children of Divorce Workshops, to help families function. Our services are particularly helpful to families who are unwilling to approach the more traditional mental health services; i.e. we offer supports for a wide range of family issues that are not identified as "pathological".

Our Agency provides counseling services to Center Harbor residents in our office at 95 Water Street in downtown Laconia; We also have a program for children at Inter-Lakes Elementary School. We do not have a waiting list; we provide evening hours and are beginning to see clients on Saturdays.

Recent group programs have included Children of Divorce, Self-Esteem Group for Women, Co-Dependency Groups, Systematic Training for Effective Parenting, Summer Seminar for Parents of Adolescents, Groups of Adult Children of Aging Parents, and Adolescent Girls' Groups. A group program for Men Recovering from Substance Abuse is planned this Fall. All of these programs address issues that affect family life.

An important component of our Counseling Program is our "Social Skills Program", which is offered at Interlakes Elementary School. This is a collaborative project between Lakes Region Family Service and the schools. Our staff person co-leads groups of children; the other group leader is an elementary school guidance counselor, Shirley Jacob.

The Social Skills groups are a prevention project, children

with some "at risk" behaviors are seen in six (6) group sessions where they are assisted with social skills. At risk behavior includes aggression on the playground, shyness, failure to do homework, etc. The program includes a parent education/parent involvement component.

Over one hundred (100) children per year are served in the Social Skills Program.

B. THE MEDIATION PROGRAM:

Our Agency has run a Mediation Program for two and one half years, after the successful integration of the Belknap County Mediation Program into our organization. Ann Swett, who directed the program when it was originated, now works as a Mediation staff with us; there also are Mediation volunteers who serve on our Board in addition to volunteering as Mediators.

The Program provides Parent-Child and other Family Mediations free of charge to the community. Parent-Child Mediations assist with the following problems that families experience:

- Rebellious teenagers, including running away, experimentation with drugs/alcohol, school problems, verbal aggression, curfew issues.
- Discipline problems
- Issues over household rules
- Communication problems
- Reintegration of children who are leaving foster care

Other family Mediations take place when parents are unable to agree on child visitation, or when extended family members look for help in negotiating agreements.

The Mediation Program has developed into the area of Peer Mediation over the last six months. Lindsay Carroll, our Mediation Coordinator, works in local schools with staff and students to implement Peer Mediation Programs. The end result is that a group of students are trained in conflict resolution skills and can mediate conflicts that their peers get into. This program is part of our effort to address concerns in communities about violence among youth.

Parent-Child Mediation is a free service. Some of the revenue for Mediation, shown in our overall budget, is generated by a small Divorce Mediation Service which we provide to enable couples to continue to co-parent when they divorce. We also need the support of towns to continue the free, parent-child mediation service.

C. OTHER PROGRAMS:

The Agency's other programs are Child Advocacy and Parent Aide Programs. Our Child Advocacy Program is funded by a grant

through the New Hampshire Attorney's General Office, and enables us to educate the community about child sexual abuse, as well as

to do advocacy and counseling with children and their families where there is child sexual abuse.

The Parent Aide Program began in January, 1994; this is a program wherein we send Parent Aides into homes to assist parents who are referred by the Division of Children, Youth and Families. These are parents who are reported to the Division for child neglect or abuse, or who otherwise have come to the attention of the Division. The program is supported by fees from the Division of Children, Youth and Families.

Our enclosed budget includes projected growth due to the Parent Aide Program. Expenditures for the Parent Aide Program equal revenues in the Program.

II. CENTER HARBOR: NUMBERS SERVED;

1990	1,002	18
1991	1,204	20
1992	1,192	19
1993	1,100	20

III. FINANCIAL REQUEST:

We are requesting \$3,500.00, as we did last year. We are requesting \$2,500.00 to support our Counseling Program, and \$1,000 to support our Family Mediation Program. This appropriation will enable us to continue seeing Center Harbor families in counseling for affordable fees, and seeing them free of charge in Family Mediation.

INTER-LAKES DAY CARE CENTER AND NURSERY SCHOOL
1994 REPORT TO THE TOWNS

We wish to thank the Town of Center Harbor for their continued support of our programs. Inter-Lakes Day Care Center and Nursery School is a private non-profit child care agency incorporated in 1971. Year round child care is provided, in an educational settings at two locations for children thirteen months to twelve years. During 1994 the Center served 169 children from 129 families. Sliding scale fees are available, and USDA meals are included. This appropriation is used as local support and funding under Title XX through the office of Economic Services of the State of New Hampshire.

PARKS AND RECREATION DEPARTMENT

1994 ANNUAL REPORT

A significant addition to the town's recreation facilities this year was the construction of a basketball court at the town beach site. A combination of town funding and donations made this project possible. Our beach area was further enhanced this year as voters approved the construction of a new raft and boat dock.

The annual Easter Party drew 40 to 50 children for egg hunts, games and egg decorating. The Easter Bunny even hopped in for a visit.

Memorial day was observed and the annual parade led by the veterans and the InterLakes High School Band. Eulogies were given by Reverend John Eaton, and lilac wreaths graciously made and donated by B.J. Larsson.

The fourth Thursday of every month is a special events day in the Cary Mead Room for all senior citizens in the area. Seniors enjoyed a luncheon and a special program on these days. Information on these programs is available at the town office.

Recreation and Power Volleyball continues to be offered throughout the year at the InterLakes High School and Elementary School gyms. Bart Coudert volunteers to run these programs. A special five week women's volleyball program was offered this summer by Randy Mattson.

The 15th Annual Center Harbor Footrace drew 332 participants for the 2 mile, 5 mile and children's races. The annual Independence Day Parade continued to draw crowds, as entrants decorated their floats on the theme of "Wonderful Water". The fireworks at dusk were particularly enjoyable with the addition of ground report displays.

Lifeguards manned the town beach every day from June 25 through August 21 and offered two sessions of swim lessons. A water carnival celebrated the end of lessons. The "Winnepesaukee Double Dare Swim" was headquartered at the town beach on July 15, as Canadian Bob Weir attempted to swim to Alton Bay and back again.

A full program of summer events kept children and adults busy this year. Nineteen children registered for the seven week beach program which included arts and crafts, music, games, fieldtrips and a beach party. Ten children participated in tennis lessons held twice a week at the town courts. Guest artist Laura Bates from "Yikes! American Craft Gallery" drew 20 crafters to her classes every Monday morning.

Summer offerings also included adult co-ed recreational softball every Wednesday night at the town park. Teens enjoyed the volleyball program on every Tuesday afternoon at the town beach. Band Concerts drew participants and spectators alike to the fire station on Friday evenings. The 4th Annual Center Harbor Horseshoe Tournament was held August 14 with John Hartshorn taking the trophy and cash prize for first place.

The softball field and tennis courts continue to receive steady use by individuals, school teams, the youth leagues and other community organizations. The tennis courts are in need of some resurfacing. This request will be put before the voters at the 1995 town meeting.

In September, a canoeing workshop was offered to teens and adults. A Halloweek Party at the fire station drew 80 to 100 children and parents for an evening of fun, food and a circus of activities.

Some events this year were sponsored in coordination with Nichols Memorial Library. Sixty beachgoers gathered round for an evening of storytelling July 21 in the first in a series of two campfire programs at the town beach. On August 11, thirty people gathered for an evening sing-along and ghost stories. The recreation department and library also conducted craft programs for children in November which drew approximately 20 participants for each event. A year-end holiday party was held at the library which drew 35 townfolk for crafts, music, storytelling, food and a tree lighting.

The Recreation Department wishes to thank town personnel, the firemen, and the many community volunteers who support and assist our programs.

Respectfully submitted.
